A day-off at the Sakurada household.
Alright... No one's around.
That program is called...
It's begun!
Recently, the third princess, Sakurada Akane,
Has been particularly enamored with a certain TV program.
The "Dates of Shuu-sama and Satou Hana-san" TV special!
Whoa!

Hm?
What the heck?
They were airing this kind of program on TV...?
チャチャッチャッチャチャ
チャチャッチャ
Talk about embarrassing
チャチャッチャ
.....!!!
What, Akane? Something wrong?
Of all the people who had to catch her red-handed, it had to be the guy in the show himself.

A DATE WITH YOU
KAWAI MAKOTO

ピーヒョロ。
O-Oh.
So you didn't have a date with Hana-san today...
Yeah.
I'm just as surprised as you, though.
Not only are they making a show about my dates,
My little sister is watching it with a smile plastered on her face.
I wasn't doing that.
Don't let it get to you.
I guess you loved me, after a–
ハン?
It sounds like you're misunderstanding something here, Shuu-chan.

What I was doing just now was simply a form of information gathering!
Oh?
So that means my rivals are none other than everyone in the family!
I'm aiming to become King,
櫻田茜
And that is?
コホン
As proof, I was able to obtain a big piece of information!
That's right!
Oh yeah?
I don't really get it though.
It's that you're completely clueless about dates!
Ohh,
Straight to the point, huh?

Shuu-chan, do you remember your recent date?
Mm, yeah, of course.
We met up in the afternoon...
Went out on a walk together by the riverside,
Played with some kids at the park,
And ended the day at the ramen shop...
That's so plain!
High schoolers don't go on dates like that!
Why's that?
It's better than making her go on sudden trips to the night life in the city, right?
YOU'D BE THE WORST KIND OF PERSON IF YOU DID THAT.

Give your older brother an idea.
Okay then, what's your idea of an ideal date?
!
...GOSH, I GUESS I'LL HAVE TO!!
She sure looks happy.
AS YOUR LITTLE SISTER, I'LL MAKE A SPECIAL EXCEPTION JUST FOR YOU!
I'LL TELL YOU ALL ABOUT IT. THAT IS,
"THE IDEAL DATE THAT ALL PURE MAIDENS DREAM OF GOING ON!"
All raring to go, huh?
This is a story about a couple who had just become lovers.
They have yet to close the lingering distance that exists between them.
You even came up with a setting, too?

Wow, look at all that fish in there!
It's really amazing!
ザワ
ザワザワ
It's my first time seeing something like this!
They're so adorable!
I'm glad to hear that.
スッ
Shuu-chan...
Ah...

And he looks a lot cooler than he normally does somehow...
The reflection of the light from the glass is shining on Shuu-chan's face
Y-Yeah, that's right!
O-Oh no, I can't look at him!
Shuu-chan! Look, there's a dolphin!
A dolphin?
Yeah! This place is famous for its dolphins you know
I really like them
Whenever I watch them, I start feeling so happy

That's why, I'm so happy right now...
.....
Oh!
Wow!
Did I just say something really childish just now!?
Ahh!
He's going to make fun of me again...

Don't just keep looking at the dolphins all the time.
Look at me.

SHU-
SHUU-CHA...
I'LL GET JEALOUS, DAMN IT
Shuu-chan, did you know...?
That there's an animal that I like a lot more than dolphins?
You see, that's...

TEXT: HMMM...!
ふふーん...
HOW'S THAT? SO ROMANTIC RIGHT!?
Ohh...
So this is what all pure maidens dream of being a part of, huh...?
Not sure if I get it...
Hm.
Where's Satou?
But wait, her ideal date is just us two, huh?
She looks like she's having fun.

This reminds me.
It's been ages since I spoke with Akane like this.
.....
ALRIGHT! LET'S GO TO THE AQUARIUM.
Right now!
Ehhh!?
What are you talking about? This is for you and Hana-san...
That's why!
You don't have to worry about that anymore.
Because today, I feel like hanging out with you.
!
...What the heck is that about?
You'd better hurry up and get ready!
Wha, wait up!
